COUNTY OF SUMNER, TENNESSEE,)	
et al)	

ORDER

A telephonic status/case management conference was held on May 12, 2021. Counsel participating were: Michael Sousa, Raymond DiGuseppe, and Lloyd Tatum for Plaintiffs and Thomas Russell for Defendants. From discussion during the status/case management conference, and review of the record, the following is ORDERED:

1. The parties are not in agreement for mediation at this time. Nevertheless, the parties are strongly encouraged to consider mediation and are reminded that they may mediate by agreement without the need of further order unless referral for pro bono mediation is requested (which must be made by motion). Any motion for pro bono mediation must include a statement as to why private mediation is not feasible. Further, the joint case resolution status report due on August 13, 2021 must expressly confirm that the parties discussed the possibility of mediation. If the parties have agreed to mediation, the case resolution status report must identify the mediator and the scheduled date(s) for mediation. All other case resolution plan provisions remain unchanged.

2. No other status/case management conferences are scheduled at this time; however, any party may request or the Court may set a status/case management conference as needed based on further developments.

3. All other case management deadlines and provisions found in prior orders and not modified herein remain in full force and effect.

It is SO ORDERED.

United States Magistrate Judge
